RE: Alternate Meal Program

We want to send a friendly reminder that we will continue to utilize the “alternate meal” program during the 2017-2018 school year. If your student’s cafeteria debt reaches \$10.00, he/she will be provided a nutritious alternative meal. The alternative meal for breakfast would consist of a cheese toast and a choice of juice, milk, or a cup of water. For lunch the alternative meal would consist of a grilled cheese sandwich, a choice of one vegetable or fruit, and a choice of milk or a cup of water.

When sending money for your child’s account, please remember the cost of a regular lunch is \$2.85 and a regular breakfast is \$1.35. If you are receiving reduced meals the lunch price is \$0.40 and reduced breakfast is \$0.30. You may also pay online at [www.k12paymentcenter.com](http://www.k12paymentcenter.com) and there is a link available on the Lexington One website.

We realize that some families have changes in family income throughout the year. If there is any change in income or the number of individuals in your household, you may complete a new free/reduced application online at [www.lunchapplication.com](http://www.lunchapplication.com)

Please be reminded that the parent or guardian is still responsible for any cafeteria balance, even if the student’s meal status changes to free.
