THE SCC TURNS ONE YEAR OLD

It is hard to believe that one year ago today, the SCC was formed. As we reflect on this first year, we can all say that we have made our mark and are continuing to improve the student leadership opportunities offered to our students in the midlands and western part of the state. On this page, you will find some pictures of our year in review. Congratulations members, we did it. We are the SCC.

The Student Council Coalition was formed as a dream of the students of White Knoll High School to focus on the continual growth of student leadership. The Students of White Knoll then invited Ware Shoals High to assist in the formation of the coalition. The coalition is proud to have the following schools as members.

Aiken High School

Batesburg Leesville High School

Camden High School

Irmo High School

Lexington High School

Whitmire Community High School

White Knoll High School

Ware Shoals High School
