Fourth Nine-Weeks/ Second Semester/ Year Long

May 31, June 3, 4 Final exams for year long, semester, and fourth nine-week courses

School Attendance Requirements

Student attendance laws require the following days present to receive credit, provided the student receives a passing grade in the course.

- In a 45-day course, a student must be present 42 days.
- In a 90-day course, a student must be present 85 days.
- In a 180-day course, a student must be present 170 days.

Students who exceed the approved limits for unexcused absences do not receive credit in the course.

High School Credit

State law mandates that children 5-years old to 17-years old must attend school. The school year consists of 180 school days. The district considers students present only when they are actually at school, on homebound instruction, or present at a school activity authorized by the school. To earn course credit, high school students must attend 42 days of 45-day courses; 85 days of 90-day courses; or 170 days of 180-day courses. Any student who misses more than 50% of a class will be counted absent in that class.

Absences and Excuses

If a student is absent, he/she must present a written excuse signed by a parent, guardian, physician or other appropriate person—**within three days after returning to school**. The excuse must include the date the excuse is written, date of the absence, reason for the absence, telephone number where the parent/guardian may be reached, and the required signature.

The reason given on the excuse determines whether the absence is recorded as excused, unexcused or unlawful. Failure to provide a proper excuse may cause the absence to be recorded as unexcused.

Principals will require a student who has accumulated more than five absences in a semester or 10 absences in a year to provide a doctor's excuse for all medically related absences in order to receive course credit. The following guidelines apply for medical excuses:

- **Original** excuses must be submitted;
- **No photocopies** will be accepted;
- Faxes will be accepted from the doctor's office **only**.

Principals have the authority to review absences in excess of 10 days (or 5 days in a semester course) and use their discretion.

False/Forged excuses are referred to school administration for appropriate disciplinary action. See the school discipline plan.

A phone system will be used to notify parents when a student has missed one or more class periods. All absences, including excused and unexcused, will be reported. If you feel there is an error, please have your son or daughter check with the office the following day.

Excused Absences

The district gives excused absences with provided and approved documentation for:

- ill students whose attendance in school endangers their health or the health of others, as determined by a doctor or the school nurse

- chronically ill or students who have an extended illness, with a called in excuse from a doctor – this requires a letter on file from a doctor stating the student has a chronic illness
- students who must keep medical or dental appointments,
- students whose immediate family member has a serious illness,
- students whose immediate family member dies, (In the case of a death in the immediate family, the student must turn in an obituary or funeral announcement as well as a note from parent/guardian).
- students who wish to participate in a recognized religious holiday of their faith,
- students who get permission, prior to a school-sponsored or school-approved event/activity, to participate in or attend school-sponsored or school-approved event/activity, and
- unusual or mitigating circumstances as determined by the school principal.

Excused Absences for College Visits

Steps for scheduling college visits:

1. Try to schedule college visits during school in-service days or other days when students will not have to miss class.
2. Contact the college to set up an appointment for a visit.
3. If a school day is missed and the absence is to be excused, the student must bring back a written notice from the college indicating the date of the visit. The written verification of the college visit is to be turned in to the front office.
 - Juniors - may use one day for a college visit to an out-of-state institution during the junior year
 - Seniors - may use two days for college visits to two different colleges during the senior year
 - Sophomores and Freshmen may **not** have excused absences for college visits.

Unexcused or Unlawful Absences

The district gives unexcused or unlawful absences when:

- students who are willfully absent from school without the knowledge of parents or guardian,
- students who are absent from school, even with the knowledge of parents/guardian, for any reason other than those described in the excused absences section.

After three consecutive unexcused absences or after a total of five unexcused absences, the principal will identify the reason(s) for the student's continued absence and will, with the student and parent/guardian, develop a plan to improve that student's attendance.

If a student accumulates more than 10 unexcused absences in a year-long course and 5 unexcused absences in a semester course, the student may be referred to a truancy prevention program or to a court. Before taking legal enforcement action, the principal will notify the parent/guardian to present evidence or information on appeal before enforcement action begins.

Tardy Policy

- Students will be allowed **2 tardies** per 9 weeks without a consequence
- On the 3rd Tardy, Administration will make a parent contact
- 4th, 5th, 6th, 7th, 8th tardy, students will receive Lunch Detention
- 9th and 10th tardy students will receive Saturday School or OSS
- 11th and all other tardies will result in OSS

Failure to serve lunch detention will result in Saturday School or OSS. Failure to serve Saturday School will result in OSS.

Any student who arrives to school more than 10 minutes late must sign in with the front office and will be coded UTD (unexcused tardy).

3 UTD's will result in an unexcused absence to 1st block.

PAR

The Proactive Attendance Recovery (PAR) program is a White Knoll High School attendance extension program for high school students who have received or are on track to receive a final grade of an "FA" due to unexcused absences beyond the limit allowed for the course.

Students with excessive absences first semester must attend a PAR during the first semester; students with excessive absences second semester must attend PAR during the second semester.

The cost of the program is \$25.00 per session. Each session will allow students to earn back up to 4 blocks of unexcused attendance. During the PAR session, students will either complete assigned class work or units on Edgenuity. Students attending a PAR session will need to have a PAR contract completed prior to attending their session.

Excuses for Missing Physical Education

A student who is ill and unable to participate in the physical education program on any given day must clear the excuse with the physical education teacher, the school nurse, or the principal.

Makeup Work

Makeup work will be given during the first week after the student returns to school.

Teachers will assist students with the makeup work as needed either before school, after school or at a mutually convenient time during the school day.

Students with absences must take responsibility for securing the makeup assignments and completing the work.

Dual Credit Courses

See the Lexington School District One Student/Parent Handbook.

Homebound Instruction

The district offers homebound instruction for those students of legal school age who, because of accident, illness or other medical condition, cannot attend school even with the aid of transportation.

To be eligible for homebound instruction, a licensed physician must complete the required South Carolina State Department of Education form certifying that the student is unable to attend school even with transportation, but that he or she may be expected to benefit from homebound instruction.

Parents/guardians can get a copy of the South Carolina State Department of Education's homebound form from Amy Derrick at the District Office. You may reach her at (803) 821-1134. After a licensed physician completes the

form, the parents/guardians should return the form for approval to the Lexington One Special Services Office located at 111 Tarrar Springs Road in Lexington.

Students receiving homebound instruction will learn through a blended model of instruction.

Health Services

Students who become sick while at school may report to the school nurse. The nurse will call the parent of any student who is too sick to remain at school. First-aid supplies are maintained to treat minor emergencies.

Medications

All medications, even over-the-counter medications such as Tylenol, aspirin, etc., must be brought to the school nurse in a container appropriately labeled by the pharmacy, health care provider, or in the original container. The parent or guardian of the student must request in writing that the student be given medication. A consent form will be provided by the school. The parent's request and consent must contain the following information.

- name of medication
- dose to be given
- time to be given
- number of days to be administered
- any special instructions

All medications will be stored in a locked cabinet in the health room. A written physician's order is required as well as written parental consent. Violations of this procedure will result in In-School Suspension, Out of School Suspension, or a recommendation for Expulsion.

Medical Emergencies

In the event of a medical emergency, the principal will summon emergency medical assistance and notify the parents or guardians immediately. Appropriate disciplinary action will be taken if the use of drugs results in an emergency.

Diploma and Requirements

To receive a South Carolina High School Diploma, students must earn 24 units and pass all sections of the HSAP. Based on state law, requirements to receive a diploma for students in Grades 9–12 are as follows:

- English 4 Units
- U.S. History 1 Unit
- Economics 1/2 Unit
- Government 1/2 Unit
- Other social studies 1 Unit
- Mathematics 4 Units
- Science with end-of-course exam 1 Unit
- Other science 2 Units
- Computer science 1 Unit
- Physical education or JROTC 1 Unit
- World Language* or career/technology elective 1 Unit
- Electives 7 Units
- Total Required 24 Units

*Two units of world language are now required for students planning to attend a four-year college or university. Most four-year institutions, however, require three years of the same language as part of their entrance requirements

Promotion and Retention

Students in Grades 9–12 must earn a minimum number of units in order to be promoted to the next grade.

For promotion from Grade 9 to Grade 10, students entering their second year must have earned a minimum of five units — at least one unit in language arts and one unit in mathematics. They must also be enrolled in courses leading to an additional unit of credit in both language arts and mathematics.

For promotion from Grade 10 to Grade 11, students entering their third year must have earned a minimum of 11 units. The student must have earned at least two units in language arts and two units in mathematics.

**When dealing with promotion or retention, the district adheres to the S.C. Accountability Act of 1998 and Board Policy and Administrative Rule IKE and IKE-R, Promotion and Retention.

Credit Recovery

Students who fail a course may qualify for credit recovery. Credit recovery allows students to demonstrate mastery of a subject after receiving a failing final grade. Students are able to recover the grade in most of the courses in english, math, science and social studies.

Students who are recovering a course must have the permission slip submitted and on file before they may begin the credit recovery course.

Students who successfully complete the credit recovery will receive a “P” on their transcript. Students who do not successfully complete the credit recovery will receive a “NP” on their transcript. In both cases the original failing grade will remain on the transcript.

Academic Honor Code

Lexington One encourages students to maintain high standards of academic integrity and honesty. In an effort to clarify expectations, the following list provides examples of unacceptable acts of cheating:

- looking on someone else's quiz, test or exam;
- revealing items to someone who has not taken a quiz, test or exam;
- copying from others on assignments designated as independent work.
- referring to unauthorized notes and materials during a quiz, test or exam;
- positioning your paper or technological device into viewing range of another student during a quiz, test or exam;
- using unauthorized technological devices to complete or disseminate answers during a quiz, test or exam;
- using technological devices to secure work from another student's project;
- obtaining an unauthorized copy of a quiz, test or exam;
- plagiarizing a paper or using a paper written by another person (citation errors are handled during the writing process by classroom teachers) and plagiarizing work from another student's project; and
- attempting to take an online assignment or assessment for another student or allowing another person to complete an online assignment or assessment for you.

Teachers and administrators treat cheating as a serious matter. Teachers will confer with the appropriate administrator to review the evidence of any misconduct.

Parents will be notified and a mandatory conference will be held with the student, parent or guardian, teacher, and administrator. Any behavioral consequence such as in-school-suspension (ISS) will be explained at that time.

After the conference is held, the student will be required to complete an appropriate assignment/assessment. This work will be graded in lieu of the original assignment/assessment.

If the student does not complete the assignment/assessment by the due date, a zero will automatically be entered into the grade book. If the offense occurs during a reassessment opportunity, the reassessment score will be dropped and the original grade will be recorded.

The behavioral infraction of cheating will be documented through a discipline referral and noted in the student's discipline record. Behavioral consequences up to out-of-school suspension (OSS) for repeated incidents of cheating will be administered at the discretion of the school-based administrator.

Use of Technology Resources

[Policy IJNDB Use of Technology Resources in Instruction](#)

Purpose: To establish the board's vision and the basic structure for the use of technology resources in instruction.

Technology is a vital part of education and the operation of the district.

In an effort to promote learning and to expand educational resources for students, the district has made arrangements to provide students and staff with access to various types of technology.

The district's goal in providing this technology is to promote educational excellence by facilitating resource sharing, communication and innovation.

Access to technology is a privilege not a right. With this privilege also comes a responsibility to use this access solely for educational purposes and not for inappropriate purposes.

The district will not tolerate the inappropriate use of technology by any person.

District administrators are directed to develop appropriate guidelines to govern the use of technology and to implement technology protection measures and safety rules as required by the conditions of eligibility for any federal or state technology funding assistance program.

The administration reserves the right to handle technology offenses in the manner they feel is most appropriate for all concerned.

It is important for students to constantly engage in appropriate and responsible behavior with regard to technology use. Students are encouraged to review the [nine elements of digital citizenship](#).

Cellular Telephones/Other Personal Communication Devices

Cellular telephone and other person communication devices are used for various reasons, including emergency use and parental communication. High school students may possess a personal communication device in school according to the following guidelines:

The device remains silent and is not visible or in use during instructional time. Teachers may allow, however, the instructional use of personal communication devices at their discretion. Personal communication devices are not permitted to be on or visible in locker rooms or restrooms. High school students may use their personal communication device before and after school, during class changes and during their assigned lunch as long as the use does not disrupt the school environment. Students and parents should understand that possession of these devices could pose a risk of loss or theft. **We encourage students to properly label their devices and take steps to keep them safe. The school/district will not be liable for lost or damaged devices.** The school principal reserves the right to limit and/or confiscate these devices if the use of these devices is causing a disruption to the school.

A person who finds a student in violation of this policy must report the student to the school principal or his/her designee. Upon notification, the principal or his/her designee will follow these procedures:

- Detention

Fourth offense

- The device may not return to campus for the rest of the school year.

Violations of the laws of the United States or of the state of South Carolina may subject students to criminal prosecution.

Student IDs

Students will wear these IDs at all times while they are at school and while they travel to and from school on regular school buses and for field trips. In certain classroom situations (i.e. art, lab, PE, band, orchestra), it will be the teacher's responsibility to determine if the ID poses a distraction or safety threat.

These photographic identification badges provide the student with identification that may be used when purchasing meals, checking out materials from the media center, and providing identification to staff members.

Students must show their ID to staff members immediately upon request. Refusal to do so is a suspension offense. The district will purchase one badge and one detachable lanyard for each student at the beginning of school. The school will purchase one plastic cover at the beginning of school.

If a student misplaces his/her ID or leaves it at home, that student must get a temporary badge from the school office to wear that day. If a student goes to class without his/her identification ID, the classroom teacher will account for all the students who are not wearing an ID and notify the office of the students who need an ID. The front office will send the IDs to the classroom during first block. When the student gets the temporary ID, he/she may also receive a discipline assignment for not having the issued ID

A student who repeatedly needs a temporary ID, who alters his/her ID in any way, or who fails to wear his/her ID properly suspended on neckwear and visible near the middle of the chest, will be assigned the following:

- Each student is allowed 4 free temporary IDs per 9 weeks
- 5th-9th - Detention
- 10th - 12th- ISS issued
- 13th or more Saturday school of OSS will be issued

****Consequences will be assigned based on the school wide progressive discipline plan.****

Failure to serve Detention will result in Saturday School or OSS

Failure to serve Saturday School will result in OSS

If a student loses, defaces, or destroys his/her badge, that student must purchase a new badge. Replacement costs are as follows:

ID--\$5.00; Lanyard--\$1.00; Plastic Cover--\$1.00

Discipline Plan

The Discipline Plan at White Knoll High School is based on the objective of promoting learning in a safe and orderly environment. Only those students who are capable of assuming these responsibilities and of being official representatives of our school will be permitted to be members of any athletic squad.

Playing On A School Day

An athlete must attend school for two out of four class periods of the school day before he/she is permitted to participate in an interscholastic activity scheduled for that day. It is strongly recommended that all coaches encourage their squad members to attend school for the entire day.

Requirements of Participation:

- All Academic eligibility requirements have been satisfied. [Visit the schsl.org for details.](#)
- Parents' permission to participate is on file in the athletic office.
- Physical exams completed and on file in the athletic office.

Conduct

The conduct of an athlete is closely observed in all areas of life. It is important that your behavior be above reproach in all of the following areas:

In the Classroom

In the academic setting, a good athlete becomes a good student. As an athlete, you must plan your schedule so that you give sufficient time and energy to your studies. In addition to maintaining good scholarship, an athlete should give respectful attention to classroom activities and show respect for other students and faculty at all times. A healthy athlete should have a good attendance record. Never cut classes or school.

On the Campus

The way we act and look on campus is of great importance. Athletes should be leaders in every aspect of the educational process at White Knoll High School. Remember, respect is not given, it is earned.

On the Field

All School rules are carried over to the fields of competition. Sportsmanship is of the utmost importance to everyone representing our program.

Athletic Discipline

White Knoll High School Student Athletes represent their school on and off the field. As such, the decisions student athletes make outside of school can impact their participation in athletics.

General Information/Procedures

Sexual Harassment

The district prohibits the sexual harassment of students by employees, other students or third parties. Any student who feels he/she has been subjected to sexual harassment or any parent of any student who feels that student has been subjected to sexual harassment is encouraged to file a complaint with the principal or one of the designated school contact people.

Visitor Policy

WKHS welcomes and encourages visits by parents and others interested in our school programs. To avoid disruption, all who would like to visit are required to first get a visitor's ID from the school office. Social visits to students or staff are not permitted at school. Anyone on school property who does not have official business with the school will be asked to leave. Parents wishing to visit their child's class must give the teacher and administration 1 day prior notice.

Early Dismissal Policy

No student will be permitted to leave school during the school day unless a parent/guardian or other approved person comes to school for the student **or** unless prior arrangements have been made with the principal. If the nurse initiates contact with a parent and the parent asks for early dismissal, the nurse may release the student to the parent's designee. If the parent wants the student to drive himself/herself home, the nurse may sign the student out on the parent's authority **only if the child's condition does not pose a threat to driving safety. In all such situations, the nurse should carefully document the conversation.**

Emergency Dismissal

In case of a school or district-wide emergency such as inclement weather, bus problems, etc., students will only be released to persons identified by the parent or guardian. A form is available in the main office that shows those allowed to pick up students. Adults or student drivers may be identified on the list. Persons picking up students must produce a driver's license for identification. Students will not be released by phone to parents or guardians. Only persons who come to the school will be allowed to check out students. If a student rides with another student to or from school, it is critical that the driver's name be on the rider's list in order to be released to that driver – provided the parent of the driver releases him/her for dismissal. **This procedure will be used only in case of emergencies. It does not take the place of the normal sign-out procedures.**

Deliveries

Due to limited staffing in our school's main office, floral or balloon deliveries for students will not be permitted. This poses a distraction in the classroom throughout the day and for students who travel by bus to and from school.
